FOR THE DISTRICT OF NEBRASKA

vs.)	MEMORANDUM
)	AND ORDER
UNION PACIFIC RAILROAD)	
COMPANY,)	
)	
Defendant.)	

The parties in this case have filed motions in limine (filings [76](#), [80](#)); a motion to restrict pursuant to the E-Government Act (filing [78](#)); a motion for leave to file a supplemental brief regarding a motion in limine (filing [88](#)); and a motion to file a motion in limine out of time (filing [92](#)).

Based on the nature of the motions in limine, the court shall defer consideration and disposition of such motions until the pretrial conference which will be held in chambers immediately prior to trial, which is currently scheduled to begin next week. Because there is no objection to the motion to restrict pursuant to the E-Government Act, such motion shall be granted. NECivR 5.3(c). Finally, a flurry of last-minute discovery disputes dictates that the motion for leave to file a supplemental brief regarding a motion in limine (filing [88](#)) and the motion to file a motion in limine out of time (filing [92](#)) should be granted.

IT IS ORDERED:

1. The motions in limine (filings [76](#), [80](#)) shall be held in abeyance and not considered until the first day of trial during the pretrial conference which will be held in chambers immediately prior to trial;

2. The motion to restrict pursuant to the E-Government Act (filing [78](#)) is granted;

3. The motion for leave to file a supplemental brief (filing [88](#)) is granted, and the supplemental brief (filing [90](#)) shall be considered instant; and

4. The motion to file a motion in limine out of time (filing [92](#)) is granted and, due to the immediacy of trial, such motion shall be filed on or before 12:00 noon on January 8, 2009.

January 6, 2009.
